

LEGISLATIVE COUNCIL
Question without notice

Tuesday, 13 September 2016

C966. Hon Robin Chapple to the Minister for Aboriginal Affairs:

I refer to the departure of Mr Aaron Rayner and Ms Kathryn Przywołnik from the Department of Aboriginal Affairs, and ask:

1. What was the reason these individuals left DAA?
2. Did they leave of their own volition?
3. Was there a payout associated with either individual's departure from DAA?
4. If yes to (3), why?
5. How much did each individual receive?

I thank the Hon. Member for some notice of this question.

1. The Department of Aboriginal Affairs undertook a review of the Heritage Directorate and its functions. The outcome of that review, and the impending changes, resulted in staff leaving the agency.

2. Yes.

3. Yes.

4. – 5. Each received amounts in accordance with their individual employment arrangements with the Department.
