

LEGISLATIVE COUNCIL

Question without notice

Tuesday, 18 October 2016

C1212 Hon Robin Chappie MLC to the Minister for Aboriginal Affairs

1. Has the Minister received legal advice that 'natural justice' dictates that land owners be advised of site assessment?
 2. If yes to (1), when and by whom?
 3. On what date, and in what circumstance, did the Department alter its previous process to include informing land owners of site reassessment?
-

I thank the Hon. Member for some notice of this question.

1. No.
2. Not applicable.
3. In September 2013. The Department's procedural fairness process includes informing landowners on a case by case basis.
