

LEGISLATIVE COUNCIL
Question on notice

Thursday, 26 May 2011

4195. Hon Robin Chapple to the Minister for Mental Health representing the Minister for Water.

I refer to a proposal to establish an investigation into the use of an aquifer just south of 80 Mile Beach with a view to piping its water to the Pilbara, and ask -

- (1) Is such a proposal being considered by Cabinet?
- (2) Has such a proposal or proposed investigation been presented to, or considered by the Minister for Regional Development in any of his capacities?
- (3) If yes to (1) or (2), who put forward the idea to the Minister or Cabinet?
- (4) If yes to (1) or (2), what is the extent of these considerations at the time of answering this question?

Answer

The Minister for Water has provided the following response.

- (1) No
- (2) This question should be directed to the Minister for Regional Development.
- (3&4) Not applicable
