QUESTION WITHOUT NOTICE
(Of which some notice has been given)

Tuesday, 30 August 2011

Hon Robin Chapple to the Minister for Finance representing the Minister for Housing.

With regard to the housing development funded by Royaltie for Regions in Thomspson Street, Wiluna, and photos of that housing on my website at <http://robinchapple.com/qdata>, Royalties for Regions Housing in Thompson Street Wiluna.pdf, I ask:

- (1) What was the last date that work was carried out on this development?
- (2) When were the building vandalised?
- (3) What action has the Minister taken to complete the development and repair the damage?
- (4) What has been the cost of this development to date?
- (5) What are the expected costs of repairs?

I thank the Hon. Member for some notice of this question.

- (1) Work ceased in November 2010 following the contracted building company going into liquidation.
- (2) The vandalism has occurred in the past eight weeks.
- (3) Structural checks were required prior to the tendering process due to the specialised framing utilised by the original builder. A new scope of works and alterations to documents were required due to the vandalism. The project has been retendered and approval to award will be completed in the next week.
- (4) Cost of this three unit development to date is \$875,761
- (5) \$550,000 for the cost of repairs and completion of the development.
