

Mr President

Minister for Energy representing the Minister for Police, I provide an answer to Hon Robin Chapple's question on notice 4547 that was asked on Wednesday 17 August 2011 in regards to gifts and benefits received by the Western Australia Police for the period 23 September 2008 to 17 August 2011.

The additional detail not previously provided in response to question on notice 4547 relates to gifts omitted from the corporate gift register by reason of administrative oversight.

Therefore, I seek leave to have the correct answer tabled.

A handwritten signature in black ink, appearing to read "Ross Johnson". The signature is written in a cursive style with a large loop under the "J".
