## QUESTION WITHOUT NOTICE (Of which some notice has been given)

Wednesday, 9 November 2011

Hon Robin Chapple to the Leader of the House representing the Premier

I refer to the Browse LNG proposal and a news article on the Perth Now website titled 'Port Hedland could be 'chemicals hub' - Premier Colin Barnett' by Amy Wilson-Chapman dated 7 October 2011 and ask:

- (1) Did the Premier say, as reported, that some of the Browse basin gas could be piped to a chemicals industry hub in Port Hedland?
- (2) Is the Premier aware of any proposals for this to happen?
- (3) If yes to 2, who has the Premier had communications with in this regard?
- (4) If yes to 2, what was the outcome of these discussions?

- 
- (1) Yes.
  - (2) This is a concept only, there are currently no proposals.
  - (3-4) Not applicable.
