QUESTION WITHOUT NOTICE  
(Of which some notice has been given)

Tuesday, 26 June 2012

Hon Robin Chapple to the Leader of the House representing the Minister for State Development.

I refer to submissions on the proposed amendments to the *Aboriginal Heritage Act 1972* and ask:

- (1) What role does or will the Department of State Development (DSD) as the Lead Agency have in oversight or in evaluating the proposed amendments to the *Aboriginal Heritage Act 1972*?
- (2) Will the Department of State Development (DSD) as the Lead Agency have input into the final report?
- (3) If yes to either of the above which officers from DSD will be or are involved?

---

**I thank the Hon. Member for some notice of this question.**

(1-2) The Department of State Development is not the Lead Agency for this matter.

(3) Not Applicable.
