QUESTION WITHOUT NOTICE (Of which some notice has been given)

Wednesday, 22 August 2012

Hon Robin Chapple to the Minister for Energy.

With regard to the presentation given by Mark Chatfield the Executive Director of ACIL Tasman - Perth at the Mining the Pilbara Conference entitled "Infrastructure and Energy in the Pilbara", I ask:

1. What are the projections of domestic and industrial gas supplies beyond 2016-17?
2. Will there be a shortfall?
3. If no to 2.) why not?
4. If yes to 2.) when will this occur and what action is being taken to address the issue?

I thank the Hon. Member for some notice of this question.

Modelling regarding future domestic and industrial gas supplies was conducted as part of the State Government's Strategic Energy Initiative (SEI), which will be released shortly.

I will provide the Honourable Member with the requested information after the release of the SEI.
