## QUESTION WITHOUT NOTICE (Of which some notice has been given)

Wednesday, 7 November 2012

Hon Robin Chapple to the Minister for Mental Health representing the Minister for Environment.

With regard to the Gorgon Gas Project on Barrow Island being undertaken by Chevron Australia, I ask:

- (1) Has there been any damage to the natural environment, including the landscape, flora and fauna, of Barrow Island during the past month?
- (2) If yes to (1) what was the nature of the damage and what caused it?
- (3) Have there been any fires on Barrow Island in the past month?
- (4) If yes to (3) what caused the fires and what was the extent of the damage?

**I thank the Hon. Member for some notice of this question.**

(1) - (2) Construction of the Gorgon Gas Project on Barrow Island is continuing in accordance with stringent environmental conditions under Ministerial Statement 800 for the Gorgon Gas Development Revised and Expanded Proposal and Ministerial Statement 769 for the Jansz Feed Gas Pipeline.

(3) - (4) No
