184. Hon Robin Chapple to the Minister for Agriculture and Food representing the Minister for Mines and Petroleum.

I refer to the period since the Reform and Development at Resources Safety (RADARS) strategy was established by the Department of Mines and Petroleum in 2010, and I ask:

- (a) what has been the total number of reported incidents where an injured worker was absent from work for two weeks or more;
- (b) how many of these reported incidents have been assessed by an associated site visit by a safety inspector;
- (c) how many of these reported incidents resulted in enforcement action; and
- (d) how many of these reported incidents have an associated investigation file?

Answer

The Department of Mines and Petroleum advises:

From 1 January 2010 to 30 June 2013

- (a) 724
- (b) 77
- (c) 97
- (d) 134
