Hon Robin Chappie to the Parliamentary Secretary representing the Minister for Health

With regard to the proposed renal hostels in the Kimberley (Kununurra, Derby, Broome and Fitzroy Crossing), I ask:

1. When will these facilities be built?
2. When will these facilities be operational?

---

I thank the member for some notice of this question. The following information has been provided to me by the Minister for Health.

(1) Renal hostels at Kununurra, Derby and Fitzroy Crossing are expected to be completed by March 2016. The renal hostel in Broome is expected to be completed by September 2016.

(2) These facilities should become operational two (2) months after practical completion.
