**Question on notice**

**Tuesday, 17 June 2014**

1280. Hon Robin Chapple to the Leader of the House representing the Minister for Energy.

I refer to the 18 megawatt Mungullah Power Station in Carnarvon, which began construction in March 2011, and I ask:

- (a) what was the initial cost estimate for the completion of the project; and
- (b) what was the actual cost to complete the project?

---

**Answer**

(a) \$76.9 Million

(b) The project is not yet complete, but is currently forecast to complete on budget
