**QUESTION WITHOUT NOTICE
(Of which some notice has been given)**

Tuesday, 16 September 2014

Hon Robin Chapple to the Leader of the House representing the Minister for Energy.

I refer to Horizon Power's Part C Business Case Strategic Review Program Phase Two approvals document and ask:

1. In C.1 from where is the \$7.2 million funding being sourced to implement the 61.5 redundancies in the regions by 2018?
2. Is it correct that the regional restructure will result in a further 25 FTE in the North West Interconnected System (NWIS) and a further 16 if the Karratha Control Centre and SCADA system is restructured?
3. Why is the reduction in staffing in the NWIS so much greater than other areas?

I thank the Hon. Member for some notice of this question.

1. No funding is necessary because no decision has been made in respect of this figure.
2. No
3. N/A
