

**LEGISLATIVE COUNCIL**  
Question on notice

Thursday, 26 March 2015

2953. Hon Robin Chappie to the Minister for Housing representing the Minister for Lands.

- (1) Will the Minister please table satellite photographs depicting the 15 mile well area on Quobba Station from 2004 to 2015, with the coordinates 24. 18047 S; 24. 15088 S; 113 441 E?  
(2) If no to (1), why not?
- 

**Answer**

- (1) Yes.  
The attached images were sourced from Google Earth, Landgate's archive of SPOT imagery and Landgate's aerial photography archive. The high quality aerial image is publicly available via an internet service from Landgate, [www.locate.wa.gov.au](http://www.locate.wa.gov.au).  
For the omitted years (2005, 2008, 2009, 2011-13, 2015) the Agency does not have access to any no-cost imagery of the requested area at the same resolution as those provided.
- (2) Not Applicable.
