QUESTION WITHOUT NOTICE (Of which some notice has been given)

Tuesday, 5 May 2015

Hon Robin Chapple to the Minister for Aboriginal Affairs.

I refer to Question Without Notice No. 378 asked in the Legislative Council on 21 April 2015, the associated tabled paper 2774 and the Department of Indigenous Affairs registered site 30274 in respect of LSC11 dated 27.07.2011 and I ask

1. Will the Minister provide the date and time when each of the sites listed in the tabled paper and including DAA 22874 were assessed by the ACMC?
2. If no to 1.) why not?
3. Will the Minister provide the ACMC minutes pertaining to the above sites?
4. If no to 3.) why not?
5. Given that sites 15914, 21526, 23323, 28326 and 30274 contained material other than ceremonial or mythological why was the State Solicitors advice applied to them?

I thank the Hon. Member for some notice of this question.

1. Yes. The dates can be provided but no record is kept of the time. I have the information in tabular form and I seek leave to have it incorporated into Hansard.
2. Not applicable.
3. Yes. I table the extracts of the Aboriginal Cultural Material Committee minutes pertaining to the sites.
4. Not applicable.
5. The Aboriginal Cultural Material Committee applies the relevant provisions of the statute when assessing sites.

Minister for Aboriginal Affairs

3.3.2 Section 18 Notice

RESOLUTION (2012/193) (Consent with Conditions, Mining)

Resolved to recommend to the Minister that consent be granted to the Commissioner of Main Roads Western Australia (the Applicant), on behalf of the State of Western Australia and the Swan River Trust (the Landowner), to use the land described in Item 4 of the Notice as portions of Lot 66 on Diagram 71439; Swan River Trust Reserve 48327; and Road Reserve PINs 11809924, 11809923, 11159626, 11809922, 11809645, 11110481, 11809919, 11845344, 11845345, 11142825, 11717367, 11717368, 11853653 and 11877431, at six bridges within the Cities of Gosnells and Canning (the Land), for the purpose described in Item 6 of the Notice as ongoing repairs and maintenance to six timber bridges within the cities of Gosnells and Canning (the Purpose).

On current knowledge the Purpose will impact upon two Aboriginal sites within the meaning of section 5 of the AHA (Sites) on the Land. The Sites are DIA 3538 (Canning River) and DIA 3511 (Southern River).

Conditions

That the Applicant (on behalf of the Landowner):

1. Provides a written report to the Registrar of Aboriginal Sites (the Registrar) within 60 days of the completion of the Purpose, advising whether and to what extent the Purpose has impacted on all or any Sites located on the Land. The final report should include a detailed description of:
 - a. what extent the Purpose has impacted any Aboriginal Site on the Land;
 - b. where any Aboriginal Site has been impacted, whether such Site has been partially or wholly impacted by the Purpose, and the level, effect and type of any such impact – preferably by the provision of photographs taken before and after the impact;
 - c. where any Aboriginal Site has been subject to archaeological or cultural salvage, when and how such salvage took place, who was present at the salvage and where the material was re-located, the results of the salvage and any subsequent analysis conducted; and
 - d. the results and findings of any monitoring of ground disturbing works associated with the Purpose.

3.1.2 Section 18 Notice

RESOLUTION (2012/210) (Consent, Mining)

Resolved to recommend to the Minister that consent be granted to Woodside Energy Ltd (the Applicant) on behalf of the State of Western Australia (the Landowner), to use the land described in Item 4 of the Notice as a portion of Lot 259 as per Deposit Plan No. 220696 Vol. 3015 Folio 565; Portion of Lot 3000 as per Deposit Plan No. 68245 Vol. 3159 Folio 447; Portion of Lot 3001 as per Deposit Plan No. 68245 Vol. 3159 Folio 448; Portion of Lot 3006 as per Deposit Plan No. 68252 Vol. 3159 Folio 451; Portion of Lot 3007 as per Deposit Plan No. 68252 Vol. 3159 Folio 452; and part of dedicated road being road number 15968 (Manari Road) as per Notice published in the Government Gazette of 2 June 1978; as graphically described in Annexure 1 – Map 1 – Land Subject to the Notice, approximately 60km north of Broome (the Land), for the purpose described in Item 6 of the Notice for the purpose of Woodside Energy Limited, its employees, agents, contractors, consultants, and any other person acting with its authority, using portions of the areas outlined in Schedule 4 as identified in Map 1 of the Notice, with such vehicles, machinery, plant or equipment as is reasonably necessary for the purpose of site investigation activities associated with the establishment of the proposed Browse LNG Precinct and associated facilities, being technical, scientific, environmental and engineering studies (the Purpose).

On current knowledge the Purpose will impact upon two Aboriginal sites within the meaning of section 5 of the AHA (Sites) on the Land. The Sites are DIA 13076 (Walmadan (James Price Point)) and DIA 32447 (Gardarlagun-South).

Conditions

That the Applicant (on behalf of the Landowner):

1. Where the proposed use involves disturbance to the surface of those areas of the coastal dunes that have not been previously disturbed by a land use activity, the Landowner shall ensure that the Environment and Cultural Heritage Team (ECHT) referred to in Part 7 of the Notice, is offered the opportunity to monitor its use and point out when any skeletal remains are uncovered.
2. Within 60 days after completing its use of the Land for the Purpose, the Landowner shall

ensure that a written report is provided to the Registrar of Aboriginal Sites (the Registrar) advising whether and to what extent the use has impacted on any Aboriginal Sites located on the Land, including a detailed description of:

- a. the extent the use has impacted any Aboriginal Site on the Land; and
- b. the results and findings of any monitoring of ground disturbing works associated with the use.

1. WELCOME AND APOLOGIES

The Chairperson welcomed members and staff and declared the meeting open at 9.30 a.m.

2. ENDORSEMENT OF MINUTES OF PREVIOUS MEETING

RESOLUTION 2013/165

The Committee resolved that the minutes of the Wednesday 9 October 2013 meeting of the Aboriginal Cultural Material Committee be confirmed as a true and accurate record of proceedings.

CARRIED

3. BUSINESS ARISING OUT OF THE MINUTES

The Chairperson indicated that the Acting Registrar had made further inquiries into the matter considered by the Committee at the meeting of the 9 October 2013 and recorded at item 3.1.2 of the agenda for that meeting. The Acting Registrar then outlined new information which suggested that the requirement to undertake further recording at DAA 33481 (S08-006) would not serve any useful purpose.

Upon consideration of this additional information, the Committee agreed that condition 1 specified in Resolution 2013/158 at item 3.1.2 of the Minutes of the meeting held on 9 October 2013 be removed.

RESOLUTION 2013/158A

The Committee resolved that Resolution 2013/158 be amended to delete Condition 1 specified in that Resolution.

CARRIED

3.7 Perangery Pastoral Co - Extraction of gypsum - L 3114 806, Shire of Perenjori (2014/0731)

3.7.1 Site Assessment

Following lengthy discussion and based on the information provided and the Departmental advice received, the Committee made the site assessments listed at Table 17.

Whilst the Committee concluded that DAA 24380 (Mongers Lake Waterway) in its entirety is not one to which section 5 of the AHA applies, the Committee agreed that it is likely there are places along the waterway that would satisfy the criteria outlined in section 5 of the AHA. The Committee therefore requested that the Department work with the Traditional Owners to record those places.

RESOLUTION 2014/113

The Committee resolved that the site assessments listed at Table 17 of Appendix I be confirmed and endorsed.

CARRIED
