QUESTION WITHOUT NOTICE
(Of which some notice has been given)

Tuesday, 5 May 2015

Hon Robin Chapple to the Minister for Aboriginal Affairs.

I refer to Question Without Notice No. 378 asked in the Legislative Council on 21 April 2015, the associated tabled paper 2774 and the Department of Indigenous Affairs registered site 30274 in respect of LSC11 dated 27.07.2011 and I ask

1. When was registered site 30274 in respect of LSC11 placed on the register?
2. If it was not placed on the register why was it included in tabled paper 2774?
3. If LSC11 was placed on the register as a site submitted by DAA Officer Ryan Crawford and Robert Brock why was it removed using the SSO advice when the site recording form filled in by the department stated AHA s5a-d applied to it?
4. If LSC11 was placed on the register on what date was it removed?

I thank the Hon. Member for some notice of this question.

1. DAA 30274 has never been on the Register of Aboriginal Sites.
2. DAA 30274 was assessed by the Aboriginal Cultural Material Committee within the timeframe the State Solicitor's Office advice was being applied to those places reported to have a ceremonial and mythological association.
3. DAA 30274 was placed on the Department of Aboriginal Affairs database, the Aboriginal Heritage Inquiry System, as a lodged heritage place. The heritage place was subsequently assessed by the Aboriginal Cultural Material Committee as not meeting section 5 of the *Aboriginal Heritage Act 1972*. DAA 30274 still remains on the database and has not been removed.
4. Not applicable.
