(Of which some notice has been given)

Tuesday, 12 May 2015

Hon Robin Chapple to the Minister for Aboriginal Affairs.

1. Other than Lake Yindarlgooda have any other registered sites or other heritage places changed to other stored data within the Goldfields or Yilgarn Regions?
 2. If yes to (1), will the Minister please provide the other heritage site and/or site registration numbers?
 3. If yes to (1), will the Minister please table the list of numbers, locations and other relevant information?
 4. If no to (2) and/or (3), why not?
-

I thank the Hon. Member for some notice of this question.

1. Yes. The Department of Aboriginal Affairs' Aboriginal Heritage Inquiry System has two categories, Registered and Other Heritage Places. Stored Data is a sub-set of the Other Heritage Places category.

The Department of Aboriginal Affairs has identified 336 places, in the Goldfields and Yilgarn Regions, that have changed to Stored Data status. 335 of these have been assessed by Aboriginal Cultural Material Committee against section 5 of the *Aboriginal Heritage Act 1972*.

2 - 3. Yes and I table the requested information.

4. Not applicable.
