QUESTION WITHOUT NOTICE  
(Of which some notice has been given)

Tuesday, 19 May 2015

Hon Robin Chapple to the Minister for Aboriginal Affairs.

I refer to Question Without Notice No. 542 asked in the Legislative Council on 5 May 2015 which states sixteen new site applications were assessed as not meeting section 5(b) of the Aboriginal Heritage Act 1972 and I ask:

1. Will the Minister table the names and locations of each of these sixteen proposed heritage places?
2. If no to (1), why not?
3. Is there any actual, or proposed, development taking place at any of these sixteen proposed heritage places?
4. If yes to (3), will this be halted until such time as the heritage status of these places is determined?
5. If no to (4), why not?

---

**I thank the Hon. Member for some notice of this question.**

1. Yes. I have the information in tabular form and seek leave to have it incorporated into Hansard.
2. Not applicable.
3. Yes. Please refer to tabled document provided in question 1.
4. No.
5. As a result of the Supreme Court decision on 1 April 2015, those Aboriginal heritage places assessed in relation to section 5(b) of the *Aboriginal Heritage Act 1972* will be resubmitted to the Aboriginal Cultural Material Committee for reassessment. However, there is no power under the *Aboriginal Heritage Act 1972* to allow for the issue of a stop work or similar order. I am awaiting advice from Department of Aboriginal Affairs and the State Solicitors Office on the implications of the Supreme Court decision.
