

**LEGISLATIVE COUNCIL**  
Question on notice

Tuesday, 8 September 2015

3377. Hon Robin Chappie to the Minister for Mental Health representing the Minister for Local Government.

(1) Will the Minister please table the report of the *Ballajura Local Area Traffic Management Study*, produced by Donald Veal Consultants for the City of Swan, in particular, what, if anything, is reported about the pedestrian danger spot at the corner of Parkview Drive and Redgum Drive in Ballajura?

(2) If no to (1), why not?

(3) Does the Minister believe that it is in the best interest of the community's safety that all residents in the City of Swan should have access to this report, especially as it would inform the community about all pedestrian danger spots in the area, and what priority, or lack of it, they are likely to receive?

(4) If no to (3), why not?

---

**Answer**

(1) The City of Swan does not, nor is it required to, report that information to the Minister for Local Government. Therefore, I am unable to provide Parliament with a copy of the report.

(2) See (1) above

(3) This is a matter for the City of Swan to decide.

(4) See (1) above
