Question On Notice

Tuesday, 13 June 2017

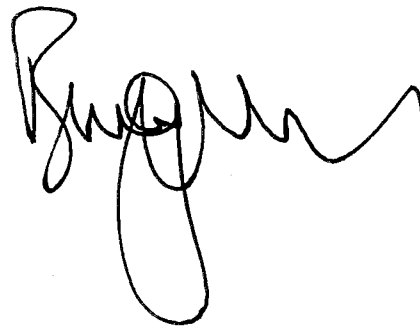

51. Hon Robin Chappie to the Minister for Environment representing the Minister for Energy

I refer to a Horizon Power focus group meeting in Broome last year on renewable energy, and I ask:

- (a) what was the purpose of the focus group;
- (b) was there a report on the outcomes of the focus group attitudes;
- (c) if no to (b), why not;
- (d) will the Minister table the report; and
- (e) if no to (d), why not?

Answer

- (a) To understand community interest in a Community Solar concept.
- (b) Yes
- (c) Not applicable
- (d) No
- (e) The concept is still very much in its infancy and we do not want to mislead community members in Broome by releasing information which now may be out of date.
