LEGISLATIVE COUNCIL
Question On Notice

Tuesday, 12 February 2019

1839. Hon Robin Chappie to the Leader of the House representing the Minister for Community Services

I refer to the alcohol restriction in Fitzroy and Halls Creek, and I ask:

- (a) will the Minister outline the changes since the restrictions were introduced;
- (b) will the Minister list the services that have been provided since the restrictions were introduced, and how their effectiveness have been measured; and
- (c) will the Minister provide information on the amount of attacks on humans and infrastructure prior to the introduction of restrictions and since the restrictions?

Answer

This answer includes the response for the Department of Communities which covers multiple Ministers' portfolios, including Disability Services, Volunteering, Seniors and Ageing Housing, Youth and Veterans Issues, as well as my Child Protection, Women's Interests, Prevention of Family and Domestic Violence and Community Services portfolios.

(a) As this does not fall under my portfolio responsibilities I refer to the response in Question On Notice 1789 provided by the Minister for Racing and Gaming.

(b) Refer to *[See tabled paper no.]* for the services Department of Communities funds currently in Fitzroy and Halls Creek.

(c) As this does not fall under my portfolio responsibilities this question would be better directed to the Minister for Police.
