**C536 Hon. Robin Chapple MLC to the Minister for Environment representing the Minister for Police:**

I refer to Ordinary Meeting of Council- Minutes 22 May 2019 of the Port Hedland Town Council and ask:

1. Is it correct that the Perth police have advised the Mayor that the investigation is still open and that he was still being contacted by the police in regards to the investigation as he was the one who submitted the complaint?
2. Is it correct that there was evidence of electoral offences?
3. What was the nature of the electoral offences and if they involved voting irregularities the total number of votes in question?
