C995. Hon Michael Mischin to the Leader of the House representing the Attorney General

I refer to a letter from Arma Legal addressed to 'Members of Parliament of WA', dated 6 July 2018 on the subject 'Inquiry into the Njamal Trust' and ask:

1. Has the Attorney General received a copy of that letter?
2. Has he responded to or taken action in response to the letter and, if so, when and what was that response or action?

Answer

1. The Attorney General was forwarded a copy of the correspondence by another Ministerial office.
2. No, the Attorney General or his office did not respond to or take any actions following receipt of the correspondence.
