Thursday, 28 November 2019

C1578. Hon Robin Chapple to the Minister representing the Minister for Housing

To the Leader of the House representing the Minister for Community Services

I refer to ongoing correspondence with Marnin Bowa Dumbara re the relocation of the Family Healing Centre (MBDFHC), who provide Family Domestic Violence Service, to the location of 58 – 60 Villers Street Derby and ask.

1. Does the Minister continue to support the work of the Derby Family Healing Centre?
2. If yes, is the Villers Street property vastly superior to the current operating location?
3. How long have negotiations been going on in respect of the relocation?
4. When does the Minister expect the relocation will be enabled?
5. If not in a timely fashion to 4.) why not?

Answer

I thank the honourable member for some notice of this question.

- 1-5. Discussions with Marnin Bowa Dumbara are part of a current expression of interest process run by the Department of Communities for the use of 58 - 60 Villers Street, Derby. As the member would be aware it is not appropriate to comment on a current procurement matter.
