

**LEGISLATIVE COUNCIL**  
**Question Without Notice**

**Tuesday, 11 February 2020**

**C012. Hon Robin Chapple to the Minister representing the Minister for Mines and Petroleum**

I refer to the 221-hectare area of land known as site L, which was ceded to the Murujuga Aboriginal Corporation on Thursday, 25 July 2019 and temporary reserve 70/6697 and ask:

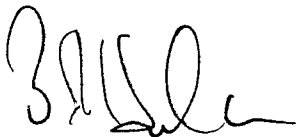

1. Will temporary reserve 70/6697 be amended to exclude site L from its boundaries?
2. If no to (1), why not?
3. Will temporary reserve 70/6697 be amended to reflect the World Heritage Nomination of the area?
4. If no to (3), why not?

---

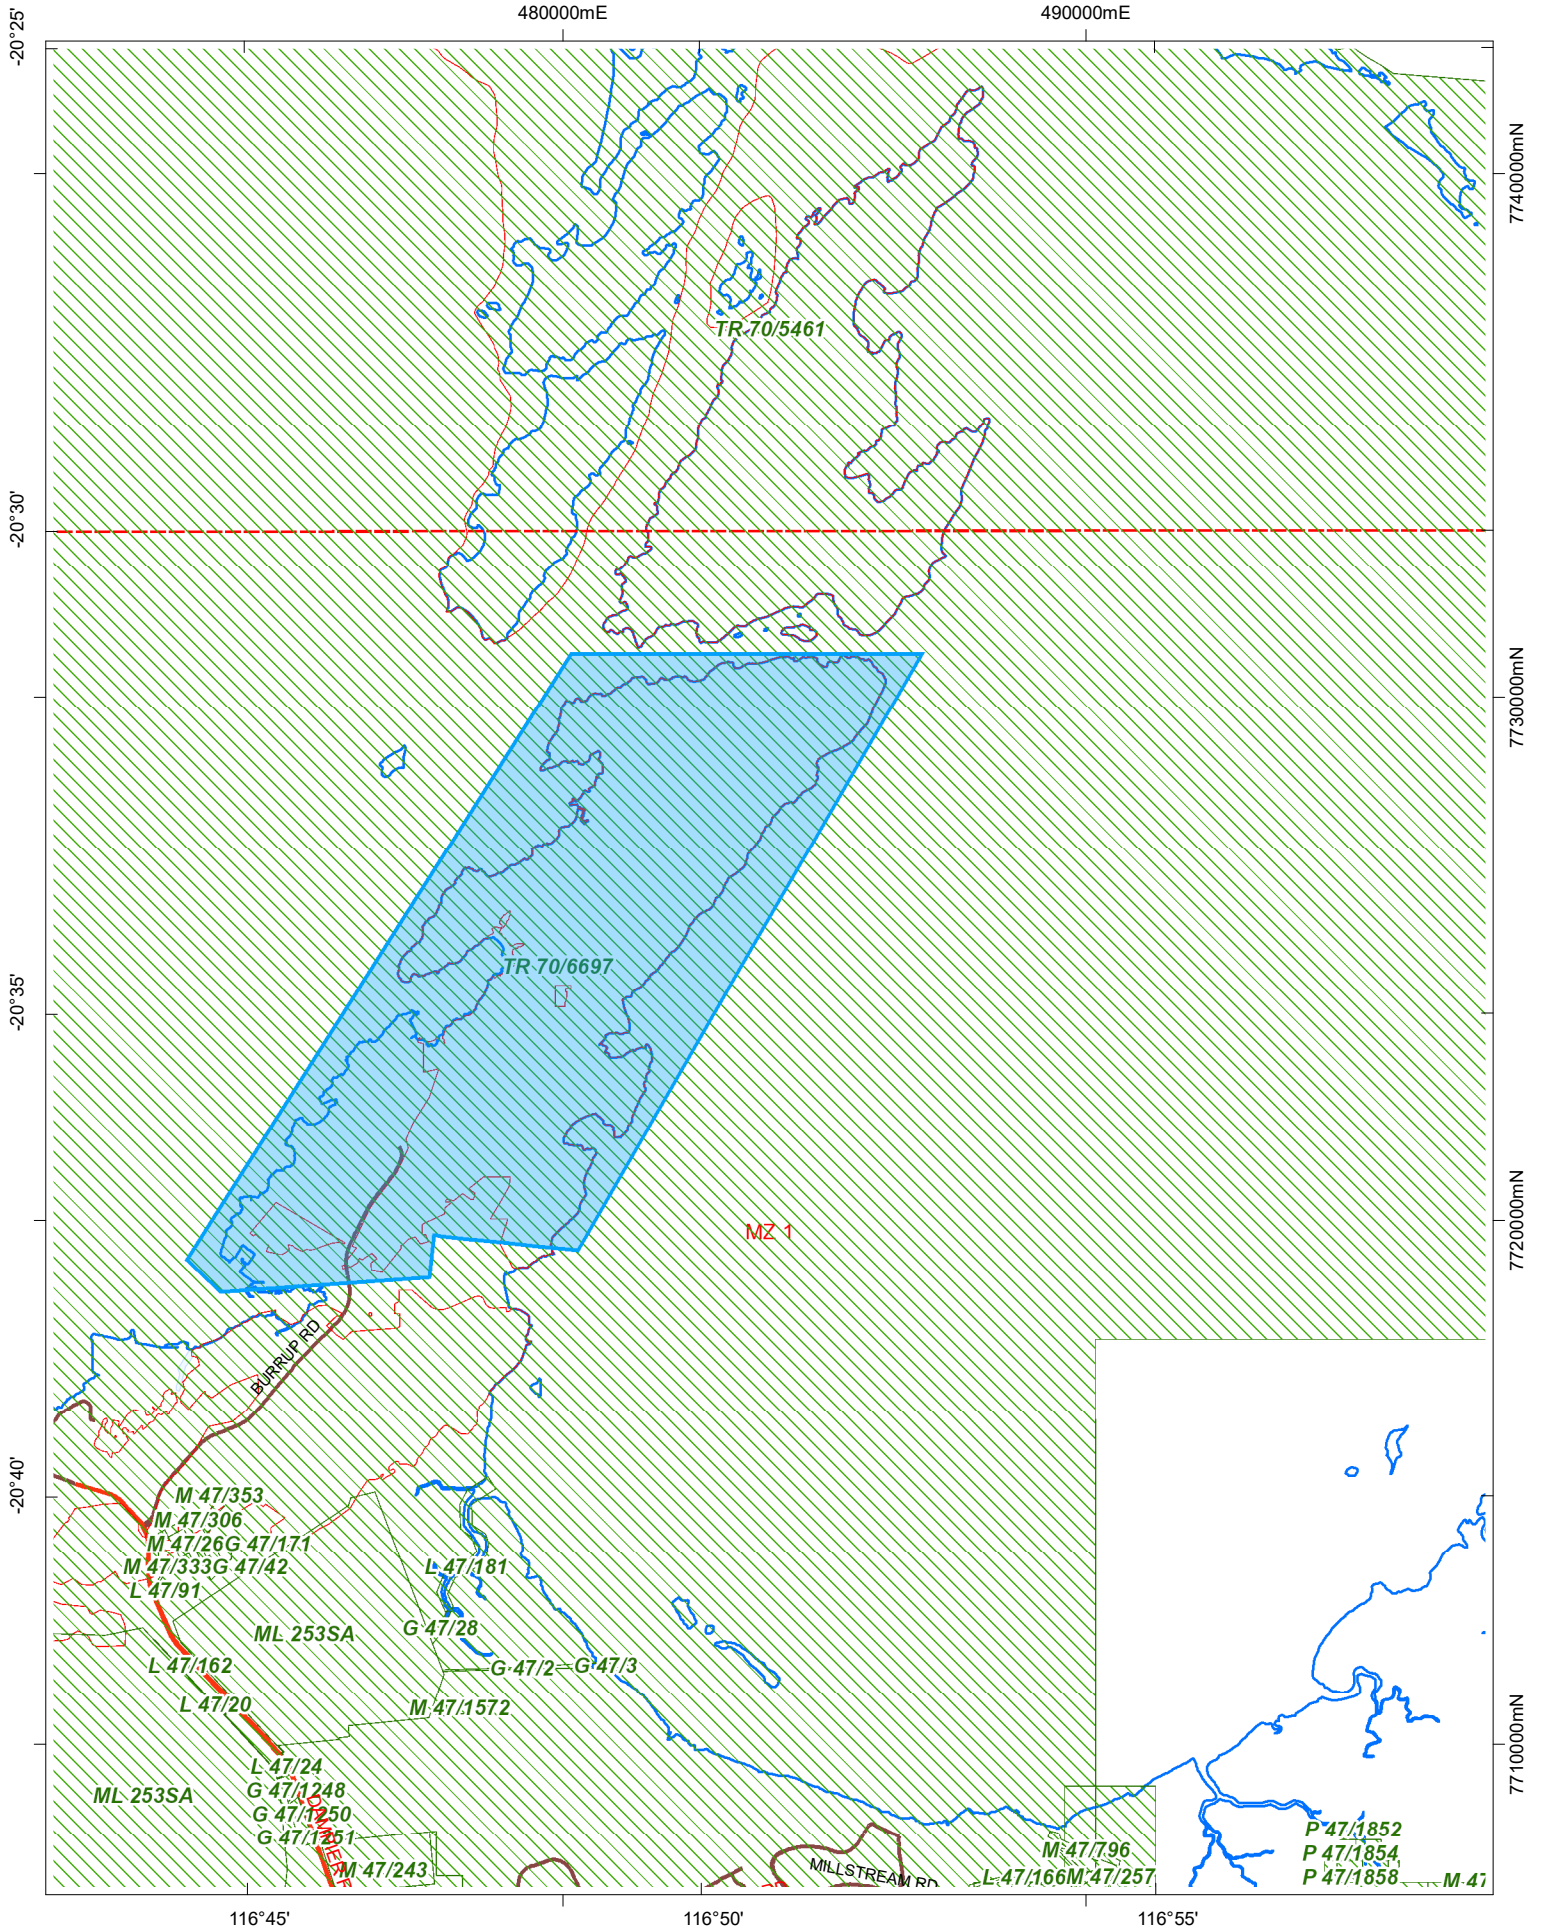

**Answer**

**I thank the member for the question. The following information has been provided to me by the Minister for Mines and Petroleum**

1. Yes because this is private land
2. Not applicable.
3. No.
4. The Temporary Reserve (TR) was created for the purposes of the North West Shelf Gas Project. The area nominated for World Heritage will not be considered for excision at this stage as it remains a nomination.

11/2/20

This plan has been compiled from various data sources received from a number of agencies and with information supplied by applicants for mining tenements. No responsibility is accepted for any error or omission. The Commonwealth of Australia (c) 2002, through Geoscience Australia and the Department of Defence, maintains copyright over those parts of the topographic data it has provided for display in TENGRAPH. Users wishing to use the data in its unaltered form should contact Geoscience Australia at www.ga.gov.au. Confirmation of the extent and composition of any Native Title Claims should be sought from the Native Title Spatial Services Landgate. Enclosed Pastoral Lease land and Pre 1994 mining confined to Nharuwannga Wajarri and Ngarlawangga ILUA Native Title determination boundary.

Scale: 1:144,448
